Redes Neuronales Recurrentes

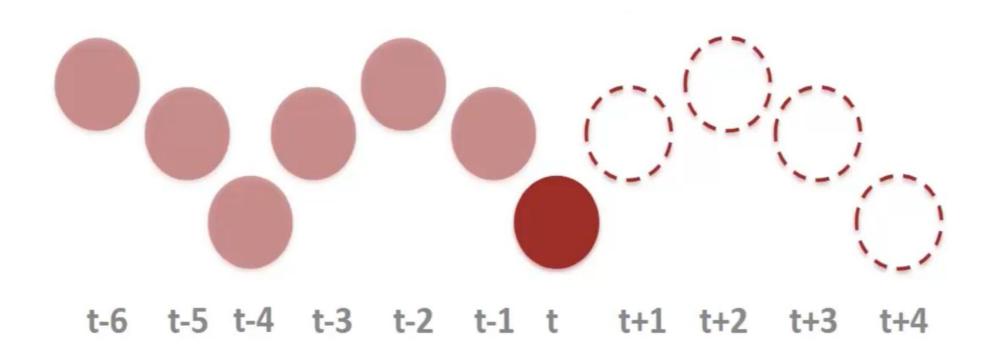

Deep Learning

Agenda

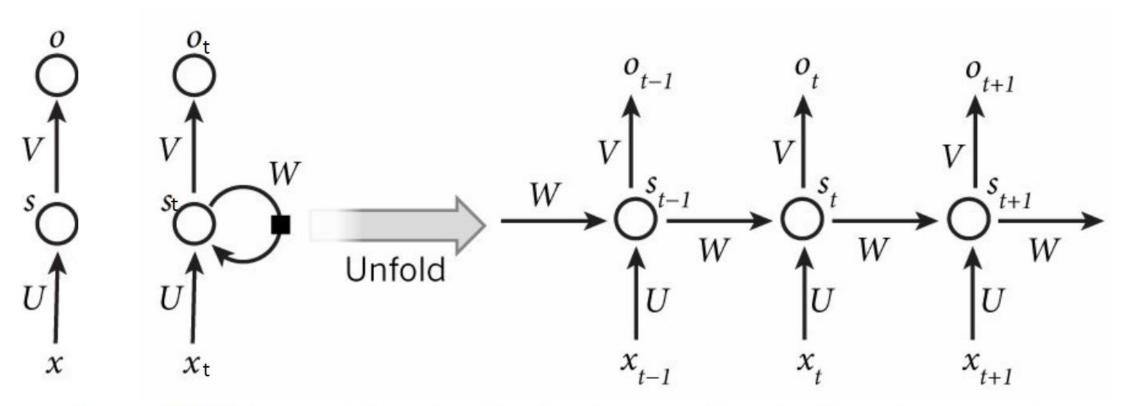

En esta sección veremos

- ¿Qué son las Redes Neuronales Recurrentes?
- Arquitectura de una RNR
- Redes LSTM (Long Short Term Memory)

Redes Neuronales Recurrentes

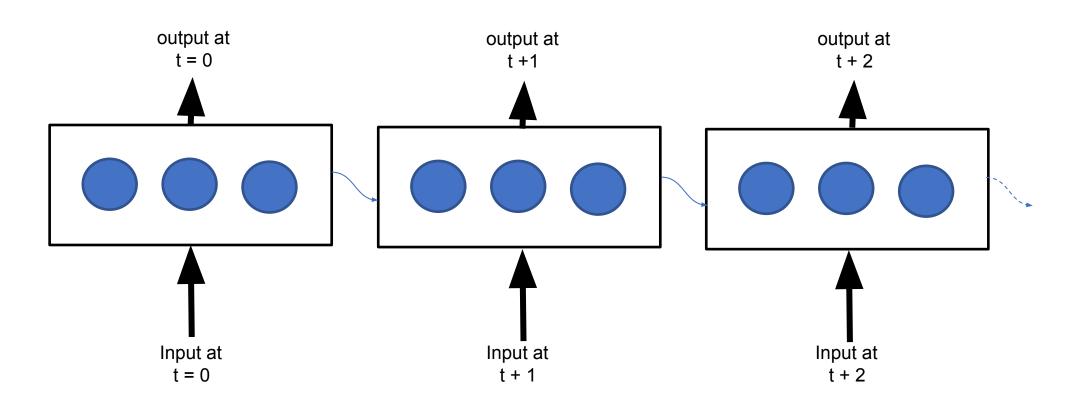

Idea RNN

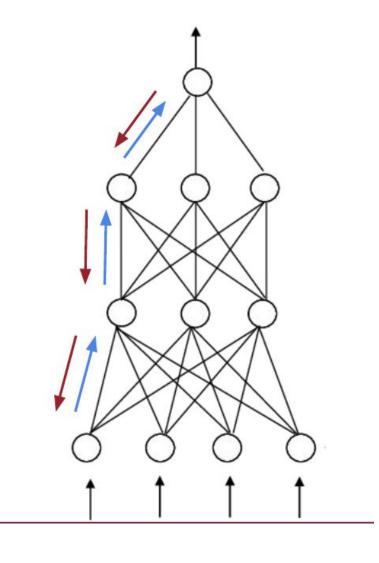

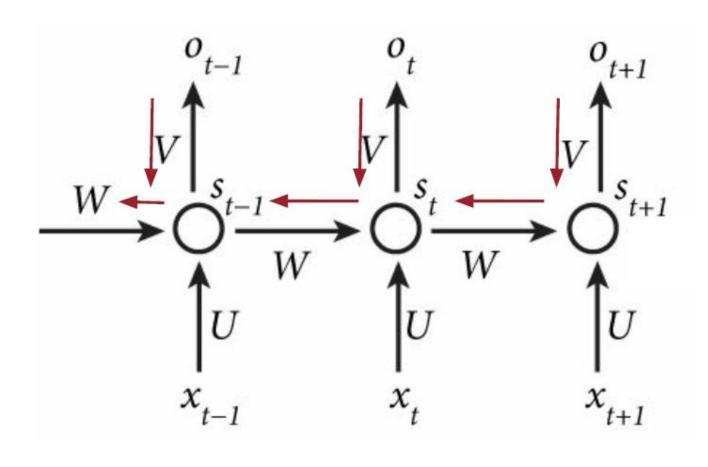

Perceptron RNN $S_t = f(W, U, X_t, S_{t-1}) = tanh(U \times X_t + W \times S_{t-1})$

Idea RNN

Back Propagation en el tiempo

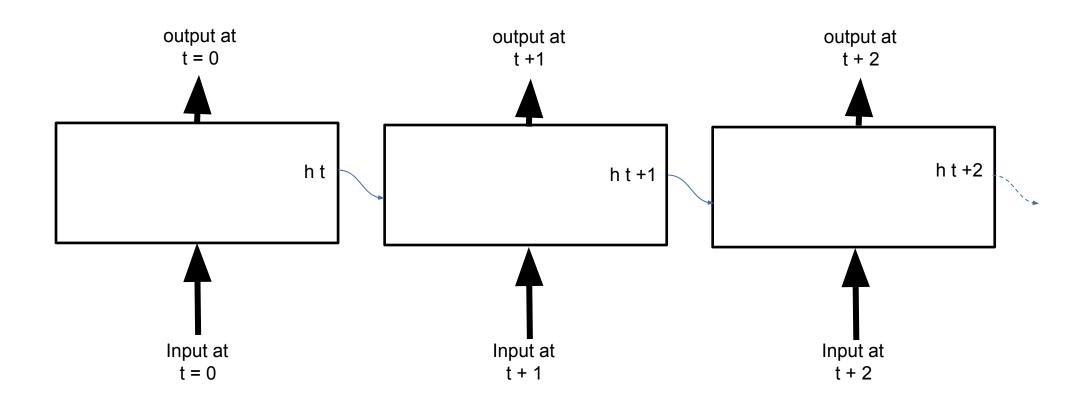

Problemas RNN

- La información del principio se pierde con el tiempo (la más antigua)
- Es decir tienen memoria de corto plazo

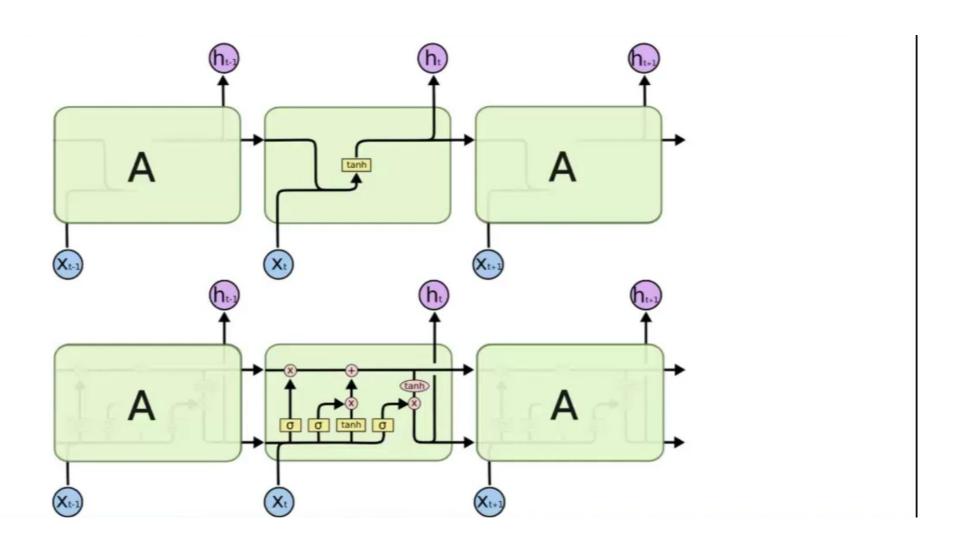

- Solución :
- Memoria a largo plazo Long short term memory cells (LSTM)

Recordando la RNN típica

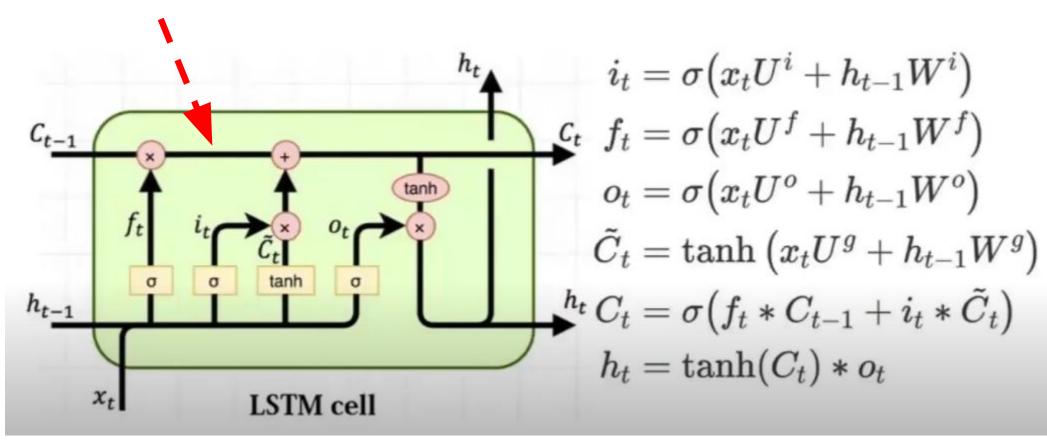

h: hidden (salidas ocultas)

LSTM RNN

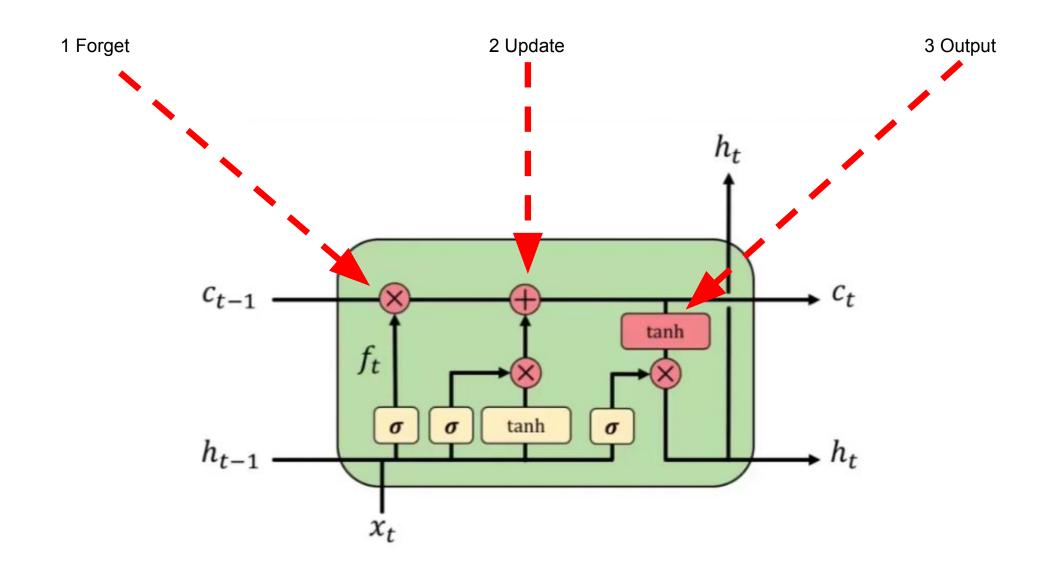

Redes Neuronales LSTM

Válvulas de memoria

GRACIAS
